D.A.V. Public School SUMMER VACATION HOMEWORK 2025-26 CLASS- 2

Dear Parents,

The long-awaited summer vacation is here when you will get an opportunity to spend more quality time with your child. It is a fun time for children. Help them explore the world around them by travelling near and far-off places.

Encourage your child to inculcate any hobby like drawing, painting, music, dance etc. Let him/her join any summer camp online or offline.

Let your child watch movies like 'Finding Nemo', 'Cars', 'Baby's Day Out', Jungle Book, etc. Encourage him/her to do the following activities related to his/her favourite movie:

- Discuss and imitate characters from the movie.
- Dance to the beat of his/her favourite songs from the movie.
- To improve your child's listening skills read out stories. Encourage him/her to read the books.

Social Skills:

Help your child become a caring human being by developing the following habits:

- Giving respect to his/her elders and loving his/her younger ones, also wishes and welcomes guests.
- Spending time with grandparents.
- Arranging his/her toy shelf.
- Using four magical words PLEASE, SORRY, THANK YOU and EXCUSE ME.

Let us share some tips to make this period a fruitful and happy period for them.

- Have at least two meals together with your children. Teach them the value of food and ask them to pray before taking a meal. Ask them not to waste food or water.
- Allow them to help their mother in cooking.
- Make them learn at least two new words in English every day. This will build their vocabulary.
- Take them to your work spot and let your child understand that you work very hard to support the family.
- Encourage your child to plantation by planting seeds (mango seeds or flowers or any vegetables). Knowledge about plants and trees is an integral part of your child's growing up.

- Visit the grandparents and let your children bond with them.
- Take them to a few places of worship.
- Allow your child to play outdoors.
- Avoid giving chocolates, jellies, ice creams, chips, and aerated drinks every day. Give them healthy food to eat.
- Teach them a few folk songs.
- Memorize your parent's phone numbers.

We request you to read at least one Hindi/English Panchtantra or Hitopadesha story to the child every day/night as this will help the child to learn essential/moral lessons and as well as increase vocabulary.

WRITE & PRACTICE ALL THE HINDI WORKSHEETS IN YOUR NOTEBOOK.

Read and learn Chapter 1 सीखो कविता and read and learn the story of Chapter 2 and Chapter 3 of Hindi Bhasha Madhuri.

Last but not least, parents make a timetable for them at home for the entire day from wake up to sleep time. Mention the timings for all the activities that they are supposed to do each day. Mention wake-up time, food time, bathing & grooming time, relaxation time, playtime, entertainment time, study time & sleeping time (in everything). Please paste this timetable at the desk of the child, so that it can be referred to from time to time. Similarly, also make a timetable for you as it works best when we practice what we preach.

As parents, it is important to invest your time with the children.

Have a wonderful summer break.
