

Vision

DAV Public School, NMDC Majhgawan Mines Panna envisions to create a citadel of endless learning for inquisitive minds to shoulder the responsibilities of global community and it aims to produce a Centre of Excellence by providing an environment of joyful learning, nurturing the innate potential of the learners by empowering them to overcome the upcoming challenges.

Mission

1. To foster an atmosphere of creativity, innovation and inquisitiveness towards joyful learning for each learner and facilitator.
2. To awaken self-esteem through social, emotional and moral obligations in order to provide worthy citizens for our country.
3. To set a benchmark of exemplar harmony among all the stakeholders towards the realm of perfection.
4. Impart Vedic values blended with scientific knowledge.
